Welcome to the Oyster & Mussel Premiere in Nykøbing Mors – Shellfish Capital of Denmark

It is a day of celebration on Mors, when the oyster and mussel season begins, and when the first oyster boats dock in the harbour.

This event has now been running for 10 years and has, each year, provided the inspiration and flavour to some of Denmark's finest produce. Limfjord oysters are some of the world's best, and the Shellfish Capital of Nykøbing Mors has an active fleet of fishermen, it is the home of the processing industry and the Danish Shellfish Centre, DTU Aqua.
